

Spartans put on a show for Major Sponsor

It was a match dedicated to their major sponsor, the Bank of Cyprus. The Hawthorn Spartans put on a show both on and off the field. The Spartans won by 121 points in a tremendous performance on the field, while the off-field festivities and canteen (filled with souvlakia and greek sweets)

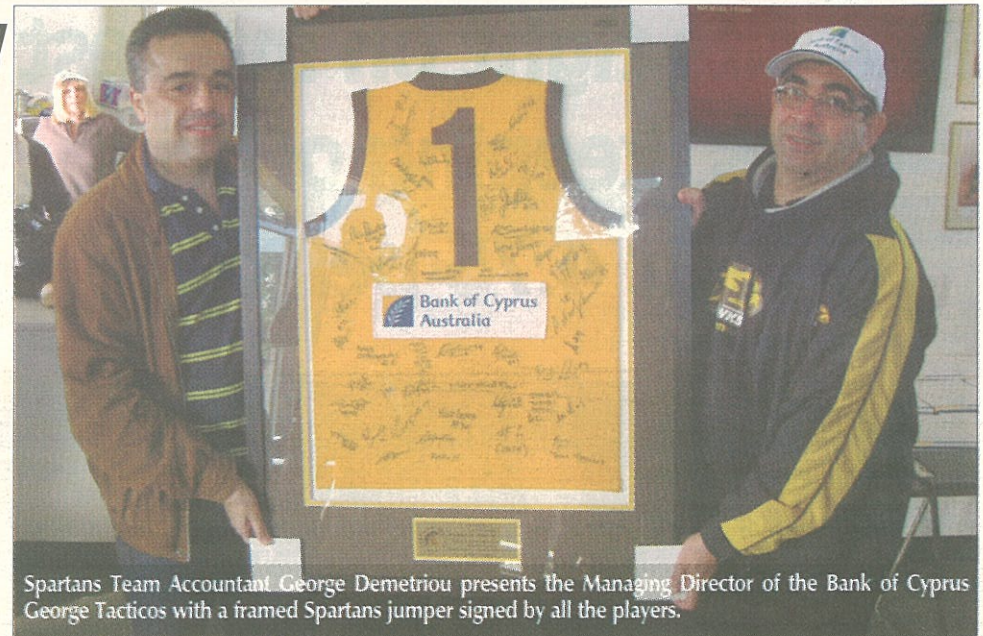

showed why the club is a front-runner for professionalism in its division.

The Spartans dominated from the first bounce and ensured its supporters left happy with a strong four quarter effort that saw it remain in top spot on the ladder. With four rounds

remaining, the Spartans sit two points clear on top and have booked a finals berth in its inaugural season. This is a fantastic effort considering the team was built from scratch. It was a fitting tribute at the end of the match with the Bank of Cyprus representatives joining the team for the singing of their theme
